NSP

#### **Narratives**

#### **Areas of Greatest Need:**

Progress Towards National Objective Targets:

Activities funded will meet the national objective of predominate benefit to Low/Moderate/Middle - Income (LMMI) persons/households. All activities will meet the LMMI National Objective on the basis of Housing (LMMH) and/or Area Benefit (LMMA).

Land Bank - Because maintenance and other neighborhood stabilizing activities are conducted on all properties acquired through the NSP Land Bank, by program regulation these properties meet the National Objective of LMMI, Area Benefit (LMMA). All properties in the Land Bank are located in NSP Target Areas, which are greater than 51% LMMI. It should be noted that properties will generally be rehabilitated as affordable housing, additionally meeting the LMMI Housing national objective.

Acquisition/Rehabilitation - Every property assisted with acquisition/rehabilitation project funds will meet the LMMI - Housing national objective. A large portion of these sites will be used to house persons at or below 50% of Area Median Income (AMI), counting towards the State's low-income housing targeting goal.

Acquisition Financing - Income requirements of the program ensure that every household receiving assistance to purchase a foreclosed property is at or below 120% of AMI (LMMI). Therefore, activities under this project will all meet the LMMI-Housing (LMMH) national objective.

State Administration and Activity Delivery Costs are presumed to meet the National Objective in the same proportion as the remainder the program as a whole (LMMH & LMMA).

Low-Income Target - To date, the State has committed funds to projects in excess of \$5 million, exceeding its Low-Income Targeting goal of \$4.9 million.

#### **Distribution and and Uses of Funds:**

Progress Towards Activity Type Targets

To date, Rhode Island has committed nearly all funds allocated under NSP I to site-specific projects. Activity Type expenditure goals have been achieved in nearly all categories. As anticipated, demand has exceeded resources available. Initial need for demolition has been less than anticipated, while demand for acquisition/rehabilitation financing far exceeds available funds, reallocation is being considered. Since this report covers activity through 9/30/09, many commitments (made throughout October-November) are not detailed. The next report will provide a comprehensive account of obligations in DRGR.

Most Impacted and Distressed Threshold (Projected)	\$0.00	\$0.00
Progress towards LH25 Requirement	\$5,385,151.94	\$9,426,466.96

### **Overall Progress Narrative:**

Following a HUD/Inspector General audit of the Rhode Island Neighborhood Stabilization Program, the HUD Field Office made available technical assistance to help the State in resolving findings listed. Repayment, along with other actions previously taken, ultimately resolved all issues identified in the HUD report. These activities have been cancelled and deleted.

As reported in the07/01/2019 - 09/30/2019QPR, work continues to assemble closeout documentation and data reconciliation for old NSP1 activities so the grant will be ready to close when the new activities are complete. An RFP was done and applications were due at the end of September 2019 in an effort to select more projects to spend down the NSP funds. At the end of the quarter the applications were reviewed but none of the applications met the NSP qualifications. Another RFP will be planned.

The negative expenditure amount accounts for a correction made to Providence Admin. -360,155.94 was entered into Project 109 Activity 099-1b which was missed back when the budget was zeroed out in 2019 QPR Qtr 2. Finally, the two new activities remain underway, with one nearing completion

### **Project Summary**

The proposed Front Street Homeownership Project (The Project) is located at 542 Front Street, Woonsocket, RI. It is located in the City's lower Bernon neighborhood and Census Tract 176. Thehouse was built in 1920. NWBRV's objective is to address health and safety concerns regarding

hazardous building materials (Lead and Asbestos), preservation and renovation of a foreclosed,

abandoned, and blighted multifamily property to meet current fire and building codes. The design

approach to the Project would provide the new homeowner(s) a home with lower operating costs, which will benefit both them and their tenant and allow them to maintain affordability.

# **Activity Description:**

105 Putnam St is an attractive single-family home on a large corner lot in Olneyville. The 1,350 sf, four-bedroom, two-bathroom property home was built by Habitat for Humanity and sold to a low-income family. Unfortunately, the home was foreclosed upon in early 2017. The property has extensive damage and needs considerable repairs; however, no structural work or alterations are necessary. The project lot is zone as residential and no variances are required. The NSP funds will enable us to replace the roof, windows, boiler, replace the kitchen and bathrooms, repair the porches, replace rotting exterior trim, replace flooring throughout the interior, update the smoke and CO detectors and bathroom ventilation. This property will be resold family whose income does not exceed 120% AMI.
